WHAT WE DO

- LWVMA advocates for issues that our members have studied and on which they have reached consensus. Current action priorities include: improving elections, addressing the climate emergency, and advocating for justice and equality.

- LWVMA believes that the success of our democracy depends on voters being informed, engaged, and motivated. We organize education events on public policy issues that affect our communities on a local, state, and national level. We publish studies, toolkits and other educational materials, and sponsor programs to raise civic awareness and engagement within our communities.

- LWVMA encourages participation in the electoral process by organizing voter registration events, holding candidate forums, and publishing voters' guides.

MEMBERSHIP

Membership in the League of Women Voters is open to all. Membership has many benefits, including opportunities to learn and lead, shape issues important to you and your family, and become part of a nation-wide network. There are 46 local Leagues in cities and towns across Massachusetts.

Joining a local League automatically confers membership at every level — local, state, and national. If there is no local League where you live, you can join at the state level through our Member-at-Large program.

NONPARTISAN

LWVMA, a 501(c)(4) organization, is nonpartisan and neither supports nor opposes political parties or candidates. However, it does advocate on issues that its members have chosen for study and action. Through its Lotte E. Scharfman Citizen Education Fund, a 501(c)(3) organization, LWVMA sponsors a wide variety of programs designed to engage citizens in civic life and the electoral process.
