### **Board or Steering Committee Member**

Local League Board or Steering Committee members share the responsibility for effective governance of the organization and promotion of its mission by adhering to the following obligations:

- Actively support and promote the League's mission, vision, strategic goals and policy positions
- Attend all board meetings including annual retreats and convention; be well prepared and actively participate in all matters
- Provide fiscal oversight by reviewing treasurer's reports and participating in related discussion
- Serve on assigned committee or committees; attend, be well prepared and actively participate in all matters
- Participate in the organization's activities by attending programs and events
- Ensure the League's fiscal health by providing financial support
- Serve as an ambassador and represent the League accurately and positively in the community
- Serve as a mentor to newer members to the League and on the board / steering committee
- Attend Board / Steering Committee orientation or New/Old Board meeting
