Join LWVMA members and our coalition partner MassCare in a lobbying effort for the new, improved Medicare for all or single payer health care bill. Meet Monday, Jan. 14, at 10 a.m. in Room 348 (The Members Lounge) of the State House.

You'll have a chance to meet the co-sponsors of this bill, hear why even more legislators should support it, and tell other legislators and their aides why they should support this legislation. If you come after the briefing to room 348, there will be an information desk set up opposite the cafeteria on the 4th floor where you can check in, learn the facts and get a list of legislators to visit. PLEASE COME!
