Now Is the Time for Bold Action!

The LWVMA Resolution

Be it resolved we, the representatives of local and state Leagues assembled at the 2014 LWVUS Convention, call upon the LWVUS Board to quickly appoint the committees to review our campaign finance position and to study the process of amending the Constitution, in order to **arrive at a comprehensive national action program that will support the aspirations and content of our position and mobilize our members.** We call upon those committees, as well as the newly-formed committee on redistricting, to move quickly, deliberately and collaboratively to produce results that will allow the League, unified and strong, to participate fully in local, state and national efforts to reclaim our democracy.

Be sure to **vote for the resolution** at the Monday morning plenary session.
