LEAGUE OF WOMEN VOTERS® Framingham

March 2018 - 3rd Edition

Welcome to the 3rd Edition of our Newsletter. We hope you find it informative and enjoyable.

Lots going on here in Framingham. We have produced our first 2 episodes of the **Framingham LWV presents State of the City** on Access Framingham. Our first show was for 30 minutes, but as we wrapped up that initial episode, everyone agreed that was simply not enough time. Episode 2 and all new episodes will now be 60 minutes long. Thank you to our guests on the first two shows for helping us to get this up and running. You can watch the March 25th show at Access Framingham VOD using this link

Let us know what you think! Tune in for the next episode on **Sunday, April 22nd from 7-8 pm** when our guests will be Suzie Craighead and Adam Blumer. Be sure to call in with your questions for our guests.

On March 28th, Mayor Spicer held a community conversation on “**Building a Resilient Framingham for Women**” at City Hall, and the LWV was well represented in the audience with Mary Kate Feeney, VP, and Stephanie Deeley, President. As the Mayor continues this focus on making Framingham a city responsive to the needs of women, we encourage you to speak out and work with those who are promoting

this initiative and support the work they are trying to do.

Framingham will be holding an **Earth Day event on the green on Saturday, April 28th from 11 am – 3 pm.** Stop by the LWV booth at this event to sign-up to become a member, register to vote, or just to say hello and find out what is happening with your local League.
