

The Clean Energy Roadmap: Pathways to a Clean Energy Future

League of Women Voters of Massachusetts Climate and Energy Solutions Series WEBINAR

Thursday, May 24, 2018, 4:00-5:00 pm
This webinar is free and open to the public.

This Webinar will address:

- What is the 2050 Clean Energy Roadmap and why does Massachusetts need one?
- What does Massachusetts need to do to get a roadmap, and how will we use it?
- How can we take action to support and achieve the goals of the roadmap?

Guest Speaker

David Ismay, Senior Staff Attorney, Conservation Law Foundation, MA

David is a Clean Energy and Climate Change Staff Attorney for Conservation Law Foundation Massachusetts. He has substantial experience in drafting, negotiating and litigating commercial contracts for public and private entities with focus on major capital construction of buildings, infrastructure, and renewable/alternative energy power plants, as well as prosecuting and defending local land use approvals and related environmental review.

A question and answer period will follow the presentation.
