

## Local League Showcase

---

Please share some highlights of your League's work at the Convention! We are asking each local League to submit a one-minute video highlighting an initiative (or several initiatives) from the past two years – and we would especially welcome knowing about any initiative your League has been involved with in the diversity, equity and inclusion space.

We are using the "[Tribute](#)" platform to collect your video entries. Please visit LWVMA's Tribute page [here](#) to make your submission. You may record your video directly on the Tribute account or you may record your video on another device and upload it to the Tribute account.

The deadline to submit your video to the Tribute account is Wednesday, June 23, 2021.

Thank you for sharing your local League highlights with us!

Questions? Please reach out to Alexa Williamson ([awilliamson@lwwma.org](mailto:awilliamson@lwwma.org))
