

Membership Committee

Purpose and activities: The Membership Committee provides ongoing support and development assistance for local Leagues, in order to maintain and increase active membership. Program areas include Field Service, League Leader events, and annual member events. The Membership Committee will be integrally involved with the membership dues transformation plan that will be implemented in the latter part of 2024.

Voter Engagement Committee

Purpose and Activities: The Voter Engagement Committee encourages and assists local Leagues in their voter service and public education activities. It also works on candidate forums for state-level offices and provides Moderator training. It collaborates with LWVMA's partner organizations to encourage voter registration, provide information on recent voting reforms and to protect the right to vote and access to the ballot. As we gear up for the 2024 election cycle, this committee will be in the thick of it.
